## Autumn 2008

### Classroom News

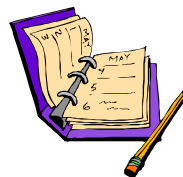

Welcome back to a new school year. This term our new topic is 'Weather', and we have lots of fun activities planned, please remember to wear appropriate clothing—especially the carer's because very often you will end up getting messier than your children!

Can I remind everyone that AGM, is to be held at 19.30 on the 16th September at the School, everyone is invited.

Towards the end of last term you may recall filling in some questionnaires, for a funding we had applied for with the County Council. I am delighted to say that they were very impressed with the work we do and awarded us £30,000 towards general running costs, this is fantastic news and will provide us with 6 months funding.

This year we were wondering if parents would like the opportunity to have a get together for Christmas, other than the Christmas party. We could book a table at the Beagle. Please let us know what you think.

Despite asking politely for snack contributions, last 1/2 term only 4 people put any money in, so it is with regret that we are attaching an envelope for your donations of £10 per half term. The school cannot continue to subsidise this fund and must ask everyone to contribute. Should you be unable to do this please see a member of staff.

### Diary Dates

16th September—AGM 19.30 at the School

22nd October—Trip to Genesis (times to be confirmed)

October 27 - 31 Half Term

December 14th— Christmas Party at Burstall Village Hall

December 17th—Trip to Santa's Grotto at Colchester Zoo

All sessions in those weeks will be replaced by the trips.

### Volunteers

We still urgently need people to support the school, either by fundraising or joining the committee. We need some fresh ideas and support in organising events.

Remember—it is your school and it will shut without your support.
